

PRESIDENT: Any further discussion? Are there any objections? I see none, we have advanced LB992.

CLERK: Read LB993.

PRESIDENT: Senator Snyder.

SENATOR SNYDER: Mr. President, I ask for unanimous consent for LB993 to be advanced to E & R initial. This bill provides for the transfer I believe of three buildings between the department of correctional services and the department of public institutions. There was no opposition no amendments proposed by the committee. Regarding the fiscal note in your book, it also mentions 26 or 29 thousand dollars. It also mentions that there should be no impact of total state dollars.

PRESIDENT: Any motion or objections to the motion to advance 993 with unanimous consent. I see none. LB993 is advanced. 994 comes up next.

CLERK: Read LB994.

PRESIDENT: Senator Snyder.

SENATOR SNYDER: Mr. President, 994 is the last of a series of correctional measures introduced by the judiciary by Walt Radcliffe. This merely changes the name from the state reformatory for women at Geneva to the Nebraska Center for Women. I ask for a unanimous consent for 994 to be advanced to E & R Initial.

PRESIDENT: Any objections? I see none. LB994 is advanced to E & R Initial. You are asking unanimous consent to pass over

SENATOR CARPENTER: Just to pass over LR103.

PRESIDENT: 676 comes up next.

CLERK: Read LB676

PRESIDENT: Senator Stull.

SENATOR STULL: Mr. President, members of the Legislature, this is a amendment to take the money out of the political subdivision fund. Last year this 100 thousand for added for repair of the building up in Ft. Robinson and some airconditioning on the floor when we were considering the budget. By mistake the hundred thousand dollars was put into political subdivision fund and they...the Games and Parks Commission couldn't use it and it took this bill to transfer it back over to the Games and Park Commission so that they can go ahead and repair the buildings and it is going to be used to replace the slate roofs on a number of the buildings and then some of the guests cabins will be repainted and the stable will be repainted and Comache Hall will have a new roof and some of the warehouses will be repaired and repainted. The \$100,000 is accounted for in the fiscal note on the bill. This...there was no opposition to this bill in committee and the appropriations committee voted it out 8 to 0 with one member absent and not voting. I would ask unanimous consent to have LB676 advanced to E & R for Initial.

PRESIDENT: Any objections? I see none, so LB676 is advanced to E & R Initial. Next bill is 792.
